Dr. R.K. Goyal
(Chairman)

Warm Greetings from ASRA Group of Institutions

Aaserians has a Vision for Academic Excellence

"Transmitting Knowledge, Transforming Societies: Our Commitment to Global Standards."

Our Vision is to emerge as a premier global center of excellence that empowers the youth of the Malwa region and beyond through transformative education, fostering innovation, and nurturing socially responsible leaders equipped to excel in a dynamic global environment.

At the Asra Group of Institutions (AGOI), we perceive education not merely as a pedagogical exercise, but as a profound catalyst for regional metamorphosis and nation-building. As we navigate an era of unprecedented technological disruption and shifting global paradigms, our role as an academic sanctuary is to provide a stable yet dynamic foundation for the leaders of tomorrow.

Our strategic vision is inextricably linked to the core tenets of the National Education Policy (NEP) and the rigorous quality benchmarks established by NAAC. We are transitioning from a traditional instructional model to a learner-centric, multidisciplinary ecosystem. By integrating the DICE framework (Design, Innovation, Creativity, and Entrepreneurship) into our academic DNA, we are ensuring that our students possess the cognitive agility required to thrive in a volatile, uncertain, complex, and ambiguous (VUCA) world.

AGI stands as a sentinel of Inclusive Excellence in the Malwa region. We recognize that our institutional distinctiveness lies in our ability to bridge the digital and developmental divide for rural youth, transforming latent potential into global competency. Our commitment to Total Quality Management (TQM) is reflected in our robust infrastructure, a culture of high-impact research, and an unwavering adherence to ethical and human values.

As Chairman, my objective is to foster an environment of 'Intellectual Entrepreneurship,' where faculty and students collaborate to solve real-world challenges through sustainable innovation. We are not merely preparing students for their first job; we are equipping them for a lifetime contribution to the global socio-economic fabric.

We invite all stakeholders—students, parents, industry partners, and the academic community—to join us in this pursuit of excellence. Together, we shall redefine the boundaries of what is possible in higher education.

Dr. R. K. Goyal

Chairman

ASRA GROUP OF INSTITUTIONS

Dr. Keshav Goyal (Managing Director)

At ASRA, We Transform Vision into Excellence through Strategic Innovation and Academic Rigor.

Our Mission is to provide Excellence through state-of-the-art infrastructure and a multi-disciplinary learning environment that integrates "DICE" (Design, Innovation, Creativity, and Entrepreneurship) into the core curriculum.

We provide Holistic Development, to foster the "complete human being" by balancing rigorous technical proficiency with ethical values, leadership qualities, and a sense of social justice.

Focusing on Global Competency, we bridge the gap between regional aspirations and global standards through international collaborations, industry-aligned training, and advanced pedagogical tools.

For Inclusive Growth, we ensure equitable access to quality education for students from diverse socio-economic backgrounds, specifically focusing on the upliftment of the rural youth of Punjab.

Focusing on Research & Innovation, we cultivate a vibrant research ecosystem that encourages faculty and students to address real-world challenges through sustainable and innovative solutions.

At the Asra Group of Institutions (AGOI), our operational mandate is to bridge the gap between academic theory and industrial exigency. As we align our institutional framework with NAAC benchmarks, we are committed to a paradigm shift from traditional teaching to Outcome-Based Education (OBE).

Our strategic focus remains the holistic empowerment of the Malwa region's youth. We achieve this by fostering a high-performance culture characterized by:

For Curricular Enrichment, we provide Integrated industry-mapped certifications and the DICE (Design, Innovation, Creativity, and Entrepreneurship) framework.

For Experiential Learning, we continuously Strengthen our laboratories and research cells to facilitate "learning-by-doing" and applied innovation.

For Sustainable Ecosystems, Team ASRA Cultivate an inclusive campus that balances technological advancement with environmental and social ethics.

As Managing Director, my priority is to ensure that every student graduating from AGI is not merely degree-certified but globally competitive and socially conscious. We are dedicated to providing a transparent, merit-driven, and resource-rich environment where academic aspirations meet real-world success.

I invite you to experience an education that is rigorous, relevant, and transformative.

Dr. Keshav Goyal
Managing Director
ASRA GROUP OF INSTITUTIONS

Adv. Arpit Goyal
(Campus Director)

Warm Greetings from ASRA Group of Institutions

Message from the Campus Director

"Institutionalizing Quality: A Holistic Approach to Global Competency."

At the Asra Group of Institutions (AGOI), our commitment to the NAAC quality framework is reflected in our relentless pursuit of institutional excellence and student-centricity. We believe that a robust educational ecosystem is built on the pillars of advanced infrastructure, a faculty-driven research culture, and a seamless integration of theory with practice.

In alignment with our Vision and Mission, my office is dedicated to:

Operational Excellence: Modernizing our pedagogical tools and physical infrastructure to meet international benchmarks.

Industry Convergence: Cultivating deep-seated corporate linkages that ensure our graduates are "industry-ready" and possess high employability indices.

Student Progression: Facilitating a nurturing environment that prioritizes not only academic merit but also the psychological and professional well-being of our learners.

Our goal is to ensure that AGOI serves as a lighthouse of Inclusion and Innovation in the Malwa region. By fostering a climate of transparency and continuous improvement, we are empowering our students to navigate the complexities of the global landscape with confidence and integrity.

We remain steadfast in our duty to provide an education that is as socially responsible as it is intellectually rigorous.

In the Spirit of Excellence,

Adv. Arpit Goyal
Campus Director
ASRA GROUP OF INSTITUTIONS

About Asra Group

It was a dream and vision of late Sh. Ram Asra Goyal, the father of dynamic Chairman Dr. R.K Goyal and Managing Director Dr. Keshav Goyal to bring quality education at the door-step in the Malwa Region. This brain –child idea has been brought into reality by forming Ram Asra Goyal Education & Research Society registered office, Sunam, Distt. Sangrur (Punjab). This society has accepted the challenge and pledged to impart quality education in the Malwa Region by establishing Asra Group of Institutions in 26 acres of lush green pollution free environment. Hence, the Asra Group of Institutions was established in 2009. These institutions with world class standard infrastructure are meeting the dire need of professional education in the Malwa Belt. Under Asra Group of Institutions, we have:

- i. **Asra College of Engineering & Technology (ACET)**
(Affiliated to MRS-PTU, Bathinda)
- ii. **Asra Polytechnic College (APC)**
(Affiliated to P.S.B.T.E., Chandigarh)
- iii. **Asra Institute of Advanced Studies (AIAS)**
(Affiliated to Punjabi University, Patiala)
- iv. **Asra College of Education (ACE)**
(Affiliated to Punjabi University, Patiala)
- v. **Asra College of Medical Sciences (ACMS)**
(Affiliated to MRS-PTU, Bathinda)
- vi. **Asra Institute of Foreign Studies (AIFS)**
- USA, Australia, New Zealand & Canada
- vi. **Asra International School (AIS)**
(Affiliated to CBSE, upto +2 Residential School)

Asra Group is approved by AICTE, New Delhi, NCTE Jaipur, Ministry of HRD, Govt. of India & Affiliated to PTU, Punjabi University Patiala, PSBTE & IT, SCERT, PSEB, CBSE Govt. Universities of Australia, New Zealand & Canada.

These institutions have come up with a view to impart quality education. These institutions have inherited the values, justice and human brotherhood. The management has excellent academic experience with progressive and futuristic outlook. The Management is assisted by the nationally internationally renowned personalities from academic, industries and R&D centers. The institutions have state of art student supporting facilities like computing facilities, library, hostels, transport, canteen etc.

LOCATION OF ASRA GROUP OF INSTITUTIONS

Asra Group of Institutions is situated on Patiala-Sangrur National Highway-07, Village Rajpura, P.O. Nidampur Near Channo, Bhawanigarh and is almost in the mid-way between Patiala and Sangrur. It is well connected by road to Chandigarh, Patiala, Ambala, Ludhiana, Bathinda and Delhi. It is situated at a distance of about 25 kms from Patiala and Sangrur, about 120 kms from Bathinda, Ludhiana, Chandigarh, Ambala & about 250 kms from Delhi. It is also connected by Railway to all the above cities through Patiala City. Thus, the campus has ideal and unique location with green fields background and is free from all the adverse effects of the industrial pollution.

Asra College of Engineering & Technology (ACET)

Salient Features :

- ★ The only residential school of the region
- ★ Well equipped hostels for (Boys & Girls) from 5th Std. onwards
- ★ In Sr. Sec. all branches available (Medical/Non Medical/Commerce/Humanities)
- ★ Highly Qualified & Experienced Staff
- ★ Strictly English Speaking Culture
- ★ Lush Green & Spacious Campus
- ★ Ultra Modern Sports Facilities
- ★ Transport Facility
- ★ Well-equipped Ultra Modern Smart Classrooms
- ★ Limited Class size of 35 Children
- ★ Co-education School
- ★ Hi-Tech Laboratories & Digital Library
- ★ Sen. Sec. both from CBSE / PSEB
- ★ Wi-Fi and CCTV Equipped Campus

Computer Science & Engineering Department

Department has Laboratories equipped with state of the art infrastructure to cater course work and research activities. study schemes of the offered programs are updated regularly focusing outcome based education, to make students employable as per national and international requirements.

Civil Engineering Department

Civil Engineering Deptt. envisages to provide students with a good understanding of Civil Engineering solutions in a global, societal and environmental context, consistent with the principles of sustainable development.

Electrical & Electronics Engineering Department

The department is well equipped with high tech labs which engage in research, design, development and testing of the electronic equipment used in various communications systems.

Mechanical Engineering Department

The students of Mechanical Engineering program will be able to apply their knowledge in science and engineering for the design and analysis of engineering problems. Design, create and develop products and processes related to Mechanical Engineering using modern tools.

Engineering Labs

High Tech laboratories equipment with calibrations to ISO 9001:2000 certifications, state of art work-shops & numerous computer work stations with licensed software which play an important role and contribute to the learning process.

BEEE Lab

Basic knowledge of every subject is necessary for becoming a perfect engineer. This lab is equipped with the instruments which provide the basic knowledge about electrical & electronic instruments, like motor, transformer, logic gates, semi-conductors etc.

Computer Labs

Different Software as well as Hardware labs are well-equipped with all latest equipments, Machines with ultramodern facilities having latest & licensed version of required softwares from Microsoft & HP. The IIHT Ltd has already signed MOU to establish their computer Labs for training purposes.

Communication Lab

The Institute has fully Air Conditioned & well equipped Communication Skills Lab. Science can be learnt as a subject whereas the art of communication is practiced as a skill. So, a communication skill lab has become the need of the day in every institute with sophisticated equipments & appliances.

Physics Lab

This is a part of applied sciences, a source of knowledge in the field of light, OFC, laser, magnetic field etc. This lab is equipped with ISO certified instruments.

Chemistry Lab

This lab is equipped with ultra modern facilities required for Engineering, Agriculture and Degree courses.

e-Campus/ Smart Campus

Asra Group of Institution promotes a culture of paperless campus. The day to day administration and most of the campus procedures are carried out online. The e-Campus/Smart Campus, an online portal of institution, is one such innovative step of the Management for providing vital information regarding academics and other campus logistics for providing assistance to the College students, their parents and the staff.

Workshops

Workshops provide a field for industrial work. Their maintenance is carried out as per ISO specifications. These include Machine Shop, Welding Shop, Foundry Shop, Electrical & Electronics Shop, Carpentry Shop etc.

Well Equipped Laboratories, Workshops and Studios

- The Management believes in imparting strong practical exposure to the students.
- Modern laboratories, workshops and studios are an integral part of the various departments of the institutions.
- Each department maintains its specialized labs and workshops, equipped with latest modern standards equipment.
- The Institutions keeps upgrading the facilities and equipment in the laboratories, workshops and studios to industry standards from time to time.
- MOU for Virtual Labs with IIT, New Delhi.

Lush Green Vast Campus

Asra Campus is spread over 26 acres of land having lush-green lawns and pollution free environment. Environment-friendly campus is a blend of several architecturally striking buildings where every need of both staff and students is met. Tree-lined avenues and lush lawns dotted with beautiful flowering shrubs soothe the eyes and create an ideal learning ambiance.

Paramedical Labs

- ▶ Human Anatomy & Physiology Lab
- ▶ Anaesthesia Lab
- ▶ Hematology Lab
- ▶ Pathology Lab
- ▶ Operation Theatre Lab
- ▶ Radiology Lab + Dark Room
- ▶ Obstetrics & Gynecology Lab
- ▶ Microbiology Lab
- ▶ Biochemistry Lab

Smart Classrooms

The classrooms are equipped with an array of hi-tech equipment which enables the competent teachers to conduct classes in such a manner that the students can make use of all the available modern resources at the click of a button. In this very special learning environment, LCD projectors, laptops, video players [for language labs] and document camera readers are available.

"Education is not learning of facts, but the training of the mind to think"
- Albert Einstein

RED CHILLIES

e-LIBRARY

All institutes of Asra group are provided with centrally air conditioned & spacious libraries. All libraries are equipped with e-Books, e-Journals, National & International Journals of repute.

Asra Cafeteria - Red Chillies

Asra Canteen and Nescafe make a perfect meeting place for students to relax, chat and enjoy refreshments. The canteen is spacious, clean and hygienic. A variety of eatables, fruits, soft-drinks and beverages are available at reasonable rates.

Outdoor / Indoor Games

AGOI is equipped with modern Gymnasium, Separate play-grounds for Volleyball, Football, Cricket, Basketball & Athletics. Various indoor games such as Carom board, Chess, Table Tennis & Billiards etc. are also available.

Auditorium

A variety of events like cultural programmes, seminars, debates, plays and other programmes are conducted throughout the year. For such events, the Group of Institutions has an auditorium and numerous other performing areas which facilitate the students to carry on their activities smoothly and with ease. The Auditorium, is **centrally air-conditioned with a fully sound proof set up and equipped with latest technology for all types of audio/video presentations**.

Hostels (A.C./ Non-A.C.)

- The Management has provided magnificent hostels which offers a comprehensive range of facilities within the campus, separately for boys and girls.
- All the rooms of the Hostels have been artistically designed for providing moving space with ample air and light.
- Internet connectivity through Wi-Fi system.
- World class Laundry Services under most hygienic conditions.

Gymnasium for Health and Fitness

Keeping in mind the health and fitness of its students and staff, the Institution provides a state-of-the-art gymnasium, fully-equipped with the latest equipment within the campus. Instructors and trainers are also available to train the students and staff.

Shopping Centre

• Books and Stationary Shop

The Book Shop provides stationary & photostat facility, course books and other reading material readily available to the students. The bookshops offer varied range of books i.e. reference books, course books, supplementary books, novels and other reading material. Photostat & Book File/Binding facility is also available.

• General Store

All good quality/ branded daily use items for the hostellers/ other students of Asra are available in the general store at affordable price.

Transport Facilities

Asra Group maintains a fleet of 30 own-new luxury buses for providing transport facilities to the students and staff. This service is provided with a view to cover all the important nearby cities, towns and villages within a radius of 60Kms like Patiala, Samana, Nabha, Bhawanigarh, Bahadurgarh, Sunam, Cheema, Bhikhi, Mansa, Sangrur, Dhuri, Malerkotla & Barnala.

Medical Care Centre

A well-equipped medical care centre with own Ambulance facility and tie-up with Manipal Hospital, Patiala at concessional rates in the campus to provide first-aid to the students round the clock.

Bank/ATM Service

Bank counter & ATM by HDFC at the campus of the institute has been set up for the convenience of the students & staff.

Bank Loan

The education loans from the bank have been made available to the needy and poor students. So many students have been availing this facility.

Easy Educational Loan Facility

ASRA group of institutions has set up a comprehensive training & Placement Department headed by Er. Manpreet Kaushal having 15 Years of experience in diverse fields. He has a proven track record of industrial liaisoning and achievements in students' placement. Any student who wants placement, can contact him with Resume on 76961-38900 and can also meet him personally in TPO office.

PLACEMENTS

The Group facilitates placements by actively reaching to the Corporate World. To achieve this objective the Group seeks to target the three major stakeholders in the placement process i.e. the Students, the Companies and the Institutes. It provides numerous services to students to enhance their employability in the corporate market. Some of the services provided are

- Career Advisory Services • Job Search Tips
- Resume Writing Tips • Interview Tips/Soft Skills
- Aptitude Development Workshops

Academia Industry Interface

Students of Institution constantly interact with industry by varied forms of Summits, Guest Lectures and Workshops. This facilitates the understanding of the changing corporate scenario among students to make them more dynamic and job oriented. For the same purpose, the Institution emphasizes upon:

- Memberships
- Academic Alliances
- Research and Development
- Industrial Consultancy

What makes companies recruit Asra students?

- ASRA Institution is consciously working towards a regime wherein industry's aspirations for recruiting the students are fully met. We create real life situation and expectation of the corporate are met by imparting employability skills to the students.
- ASRA students have strong conceptual foundations, capacity to work and exposure to real-life work conditions.
- Many Students are given live projects in the form of business analysis, making new business plans, conducting surveys and encouraging them to take up new entrepreneurial activities.
- The vocational focus of many of the courses and industrial trainings help to develop the maturity and employability of students.
- Many students undergo in-house Industry standard certification courses such as AMFI, CCNA, DB2, EC Council Ethical Hacking and Six Sigma etc.
- The students get experience of Industry by way of constant seeding of Industry relevant technologies and skills, Industrial visits, Guest lectures, seminars etc.
- Comprehensive personality development programmes, which are in consonance with the expectation of the employers.

Campus placements in global & Indian super brands :

ASRA Group of Institutions

At **ASRA Group of Institutions**, education goes beyond classrooms. The institution actively promotes **academic excellence, digital learning, and community engagement** through structured initiatives such as the **Internal Quality Assurance Cell (IQAC)**, the **National Digital Library of India (NDLI) Club**, and **Unnat Bharat Abhiyan (UBA)**. These initiatives help create a vibrant academic ecosystem that nurtures innovation, responsibility, and lifelong learning.

1. IQAC (Internal Quality Assurance Cell)

IQAC – Internal Quality Assurance Cell is a body established in higher education institutions to ensure continuous improvement in academic and administrative performance.

At **ASRA Group of Institutions**, the **IQAC** works to:

- Develop and apply quality benchmarks in teaching and learning
- Promote innovative teaching methods and use of ICT
- Conduct academic and administrative audits
- Collect and analyze feedback from students, parents, and stakeholders
- Organize seminars, workshops, and faculty development programs
- Prepare the institution for accreditation by organizations such as National Assessment and Accreditation Council (NAAC)

The IQAC plays a key role in maintaining **quality standards, transparency, and continuous improvement** in the institution.

2. NDLI Club (National Digital Library of India Club)

The **NDLI Club** operates under the initiative of the National Digital Library of India, developed by Indian Institute of Technology Kharagpur and supported by the Ministry of Education.

The NDLI Club at **ASRA Group of Institutions** aims to:

- Promote **digital learning and reading culture** among students
- Provide access to millions of **e-books, journals, videos, and academic resources**
- Organize reading competitions, quizzes, and digital literacy programs
- Encourage students to use online academic resources for research and study

Through NDLI, students get **free access to a vast digital knowledge repository**.

3. UBA (Unnat Bharat Abhiyan)

Unnat Bharat Abhiyan (UBA) is a flagship program of the Ministry of Education aimed at connecting higher education institutions with rural communities.

Under UBA, **ASRA Group of Institutions** adopts nearby villages and works for their development through student and faculty participation.

Key activities include:

- Rural development surveys and awareness programs
- Cleanliness and environmental campaigns
- Health and hygiene awareness programs
- Digital literacy and educational support for villagers
- Promotion of sustainable agriculture and local entrepreneurship

UBA helps students **understand real societal challenges while contributing to nation building**.

Rules and Regulations for the Students

1. Newly admitted students must deposit their semester fee latest by 15th August or within 15 days of their admission, failing which their name will be struck off from the institute roll as per institute policy. For all the existing students fee should be deposited in the months of April and November every year.
2. Newly enrolled students can get their ID card and library card by paying the full fee for 1st semester.
3. College transport and Hostel Fee, if any student pays 2nd Sem. Hostel Fee in the 1st Sem. in the starting of the session, 20% discount in the 2nd Sem. Hostel Fee may be given, similarly in transport fees too.
4. Students are required to clear current semester dues for the process of their PRTC bus pass.
5. Every student must have college ID card all times. College officials can check the ID card at any time.
6. Two MSTs are compulsory for every student in every semester and must submit 3 assignments for each subject. In Odd Semester 1st MST will held in the month of October and 2nd in November, similarly for Even semester 1st MST will held in March and 2nd in April. Assessment will be awarded on the basis of marks obtained in both MSTs, Assignments, Attendance and Performance in the Class.
7. Students must have the phone number(s) of their class In-charge, HOD, and Principal in order to get the important information from time to time. It's the sole responsibility of the students to know about college rules & regulations.
8. Each student is required to maintain 75% attendance as per University norms.
9. If a student remains absent for 10 consecutive days, his/her name will be struck off from the class register. Re-registration will be made as per the college rules.
10. Use of mobile and other gadgets are strictly prohibited in the classrooms.
11. Drugs and Ragging of any kind is totally banned in the college premises. Defaulters will be penalized.
12. Bringing out-siders to the college is strictly prohibited. Outsiders will be handed over to the police and disciplinary action will be taken against the fellow students.
13. All Scheduled Caste students are required to submit all the relevant documents (in original) at the time of admission. They will be responsible for submitting the documents and applying for the scholarship. Information about the documents can be obtained from the college office. In case the student fails to apply for the scholarship, full fees will be charged for the entire session.
14. SC Students getting scholarship in their accounts has to deposit it in college immediately.
15. Students who wish to get back their original documents will have to clear fees for the current semester. Institute can demand original documents of SC/BC/OBC students as per the requirements of social welfare department.
16. Students who don't wish to continue their studies after enrollment can get back their documents within 10 days by submitting 15% (semester fee) as file charges. After the commencement of classes, the entire semester fee will have to be deposited.
17. Fine and full-year bus fee will be charged from the student found traveling in college bus without valid college bus pass.
18. Uniforms are required to be worn on Mondays, Wednesdays and Fridays three days a week in the college. On other working days students are advised to come in formal dress.
19. Students who do not wish to enroll in the next semester for any reason, should apply in writing for approval of the principal after submitting the fee of the current semester. If they do not get written approval from the principal, they will be charged the next semester fee.
20. If any, General, SC or OBC student does not complete his/her course, he/she will have to submit the current semester fee to get the documents, irrespective of he/she had appeared in the exams or not.
21. Every student will be enrolled provisionally until Approved by the concerned University/Board or competent authority.
22. Filling the Semester Examination Form & Exam Fees in time (in September and February) is the responsibility of every student. Therefore, it is important for every student to be in touch with their class in-charge on regular basis.
23. Instructions, rules and circulars from the University and the Government are from time to time put on the college's notice board, and also sent on the student's Whatsapp Group. It is the responsibility of every student to check the Whatsapp and read the notice board daily.
24. Brawl/Fight and to damage the college property is strictly prohibited. In the event of a breakdown/damage, the fine and cost of the goods will be fully charged from the students and disciplinary action will be taken against them.
25. The management is authorised to change any rule and regulations without any notice.
